PROFILE INFO

A motivated and committed computer science student looking for challenging career ,where I can enhance my training skills. Well –versed in technology and writting codes to create systems that are reliable and user – friendly.

EDUCATION

Bachelor Of Technology (B.Tech)
Computer Science
2019–2023
85%

Intermediate and High school
St.Marry's Senior Secondary (CBSE)]
Batch–2019
.

PROFESSIONAL SKILLS

- Python Programming
- Data Structures
- Cloud Computing
- Soft Computing

SOFT SKILLS

- Leadership
- Teamwork
- Discipline
- Creative

PROJECTS

Photo director and viewer

Python GUI image editor using Python Tkinter, Pillow ,NumPy and OpenCV library . It can perform basic image manipulations like applying filters, adjusting brightness and contrast.

Intelligent desktop assistant

AI Desktop voice assistant using pyttsx3 ,pyaudio, speech recognition , Wikipedia modules.It can Automate Tasks with just One Voice Command.

Website blocker

This is based on basic python programming and used for blocking any website in your system for a given time period.

INTERESTS

- Crafting
- Dancing
- Travelling

CERTIFICATES

- Internshala Programming with Python
- Edx Introduction to Linux
- Great learning Python Programming
- Brain Manthan

TRAININGS

Python programming

Completed 40 days online training from Internshala in Programming with Python.The training consisted ofintroduction to python, Using variables, Principles of Object Oriented Programming , Connecting to SQLite Database, Developing a GUI with PyQT.

Edx, online

Successfully completed and received a passing grade in a course of study offered by Linux Foundation.
